 - **Step 5** - Take your corrected pre-test to your unit.
 - *Your leaders will validate the test with you and answer any questions that you may have. Your leaders will ask you some additional questions about this material.*

Carroll Civil Air Patrol On-Board Program for New Members

- **FEMA Online Courses for National Incident Management System (NIMS)**

Go to <http://training.fema.gov/IS/NIMS.asp> Emergency Management Institute (EMI) Independent Study Program (ISP) NIMS website and Complete the Online class independently.

It is recommended that you click on the course and on the right side click take Final Exam and Print it for your reference. Then come back and review the material by Take this course by clicking on the Interactive Web Based Course. Once you take the online exam save a copy of the .PDF Certificate on your computer and bring the copies to the Squadron.

- IS-700.a National Incident Management System (NIMS), An Introduction
- IS-100.a (ICS 100) Introduction to Incident Command System
- IS-200.a (ICS 200) ICS for Single Resources and Initial Action Incidents
- IS-800.b National Response Framework, An Introduction

- **Civil Air Patrol Identification Card (CAPID)**

Once you receive your Membership number (CAPID) you want to write it down.

- **LEVEL I** Training Online Access Requirements:

You will need the following for completing your Level 1:

- An email address and cadet a parent email address will be helpful
- Your Date of Birth
- The last four digits of your SSN
- Your Last Name

Online Courses at <http://members.gocivilairpatrol.com/>

On left side of screen click CAP University then on Left side click **Level 1: Foundation**

- **Go to 1: e-service and Operations Security (OPSEC) Module** which is located in the Left Box to set up your e-services account

- This will send you to a Civil Air Patrol eServices Login Screen. Find:

“First time eServices users [click here](#) to activate your account!”

This New User Registration screen is where you will enter in your Last Name, Last 4 digits of SSN, Email Address, and Date of Birth. Once you have done this click Submit. You need to think of a password that you can remember typically with letters and numbers.

Once you are registered you will be required to complete OPSEC (Operations Security) Training Requirements and agree to the Non-Disclosure Agreement (NDA).

- The training at <https://tests.cap.af.mil/opsec/main.cfm> will require your CAPID, Last Name, and Last 4 digits of SNN to complete the training. Once the training is done and the NDA is signed then you will have access to e-services to complete other training and log your training qualifications.

Carroll Civil Air Patrol On-Board Program for New Members
